

# The Studio

Spring is just around the corner and things at The Studio are in full swing!  
Because choreography is well underway, please do your best to attend every class.  
If you must miss, please consider a make-up.

Also, it is time to start integrating home practice. Some of our girls have asked for choreography notes already to begin home practice! :) Because we can't be in class every day, practicing at home is very important! Practice DVDs will be distributed in April, but it is a great help to have what we work on in class reinforced at home!

THANK YOU!

## Hair Up :)

Please be mindful of the dress code. It is helpful for your dancer to come to class ready to dance. While we certainly don't mind making an occasional pony tail, it saves class time if your dancer arrives prepared.

## Jazz Shoes

Intermediate II & Intermediate III  
*\*need\** black jazz shoes.

Intermediate I & Advanced  
*\*do not\** need black jazz shoes.
