WELCOME or WELCOME BACK!

The summer has been fabulous and it's not over yet! As we transition back into the schedules of fall, we want to make sure your experience is as smooth as possible!

Open Houses

If you would like to stop in, take a tour, speak to faculty, or have retail fittings, please join us for an Open House. Those start Monday, and are drop-in style. Dates and times are in the right column.

Waivers & Policies

In an effort to utilize technology and save trees, these are both online. The next time you login to your family portal you'll be prompted to review and sign. Feel free to print those out if helpful, and reach out to us with any questions.

Alice in Wonderland

Rehearsals continue this week and start again our first week of class (9/4). On Saturday, 9/8, we will begin costume fittings. Please allow a little extra time if possible. We'll know which groups in September.

Dance Wear

If you would like to take care of your fall dance wear needs online, saving the trip and crowds of Open House, you are welcome to do so.

- You can also shop our inventory online (and we can order anything not in stock) directly from the family portal. SummerdaleDance.com, click the **Family Portal** button. At the bottom left corner you'll see Online Store
